Henry Schein, RPh circa 1932

OVER 90 YEARS OF TRADITION...1932-2024

In 1932, **Henry Schein** opened his neighborhood pharmacy in Queens, New York. **Pharmaceuticals** have been an important part of our business ever since. We have the experience to assist practitioners with products and solutions that aid in the prevention, diagnosis, and treatment of disease.

COMPETITIVE PRICING

We have access to thousands of pharmaceutical contracts, including national GPO programs, which enhances our volume-purchasing capabilities. Henry Schein is also the only national distributor that participates in the 340B program with both Medical and Dental product offerings.

CONTROLLED SUBSTANCES

We offer e222, an online program for physicians to order their Class II drugs, eliminating paper 222 drug-ordering forms.

Rx SAMPLES PROGRAM

The Henry Schein Rx Samples Service is a free and secure online service that enables eligible prescribers to order medication samples — easily and conveniently. Check your eligibility at www.hsrxss.com

DxRx SOLUTIONS

Access for Henry Schein customers to staffed email box for providing answers to questions on pharmaceuticals and vaccines, such as product shortages, CPT and J Codes,* package inserts, and SDS sheets.

PRODUCT SELECTION

As an Approved Distributor of Record (ADR), Henry Schein has access to over 300 vaccine and pharmaceutical manufacturing partners. Sourcing products with many manufacturers ensures product availability and selection with a portfolio consisting of 7,500+ brand and generic pharmaceuticals plus OTC products.

PRODUCT INTEGRITY

Henry Schein operates in full compliance with the federal Drug Supply Chain Security Act (DSCSA). All of our six distribution centers are certified by the National Association of Boards of Pharmacy.

CRASH CART AUTO-REPLENISHMENT

powered by OnTraq™

Crash cart management simplified

Tracking expiration dates and reordering crash cart supplies can be a cumbersome task that is subject to compliance risk.

To overcome this challenge, the OnTraq Crash Cart Auto-Replenishment service ensures that enrolled emergency medications are tracked and automatically replaced just prior to expiration to maximize shelf life, save money and ensure readiness.

Medication and auto-replenishment service overview

- Provide HealthFirst with a list of medications to be enrolled
- OnTraq notifies you when a medication is expiring and is ready for replenishment
- HealthFirst ships you the expiring medication to replenish your crash cart
- Use the OnTraq online dashboard to view the status of medications at any time

Medications and equipment in low units of measure

- Extensive list of emergency medications available
- HealthFirst is licensed and uniquely qualified to repackage, distribute and track single unit medications
- Medication disposal service included

DSCSA compliant single dose medication distribution

Individual DSCSA Compliant Vial

- QR Code
- RFID
- NDC/Lot Number/Expiration
- No outer packaging to open to access medication

Supporting you with quality hypodermics and domestic manufacturing

Consistent quality. Reliable performance.

BD is the only major manufacturer of hypodermic syringes that manufactures primarily in the U.S. We're prepared to increase production at our domestic manufacturing facilities to help supply impacted providers—providing the quality, performance and reliable supply healthcare providers rely on to provide high quality patient care.

Manufacturing plants

Safety & Conventional Hypodermic Needles

From a Name You Can Trust.

Features & Benefits:

- 3 single-handed safety activation methods: hard-surface, thumb, or finger
- Double-locking mechanism with an audible “click”
- Needle hub-compatible with all standard Luer lock and Luer slip-tip syringes
- ISO color coded—easy and quick identification of the needle gauge
- Bevel-up needle—allows for low-angle injections

Contact our pharmaceutical and vaccine team and let us do the research.

Henry Schein's DxRxSolutions is a single point of contact for Henry Schein customers for answers to various types of questions related to pharmaceuticals, and vaccines. With a mission of helping practices diagnose, prevent, and treat disease, the DxRx team is available as a trustworthy and accessible source of information at your convenience. The DxRx team is available via e-mail, 8:30am–5:00pm (et).

Features:

DxRx can answer questions related to:

- Latest updates on supply issues
- Indications and usage as provided on package inserts
- Brand-to-generic comparisons
- CPT® and J codes*
- Product storage requirements
- ACIP recommendations for vaccinations
- Flu vaccine and flu-related topics

Benefits:

- Complimentary resource for Henry Schein customers
- Easy-to-access and use resource
- E-mail for answers to pharmaceutical and vaccination questions

ACCLEAN® 5% Sodium Fluoride Varnish

HENRY SCHEIN®

Brush & Tray System

5% sodium-fluoride varnish in convenient 0.4 mL unit-dose packaging with an application brush. This easy-to-use, translucent varnish sets on contact with saliva and dries to a natural tooth color. Delivers the highest fluoride concentration available with a smooth and even application. Available in 5 great-tasting flavors.

Unit		
Dose—0.4 mL.....		50/box
Specify:		
Bubblegum (570-0528)	Mint (570-0531)	
Caramel (570-0529)	Raspberry (570-0532)	
Cherry (570-0530)		

Bulk		
Package—0.4 mL.....		200/box
Specify:		
Bubblegum (570-0523)	Mint (570-0526)	
Caramel (570-0524)	Raspberry (570-0527)	
Cherry (570-0525)		

3M™ Clinpro™ Clear Fluoride Treatment

SOLVENTUM, FORMERLY 3M HEALTH CARE

Clear fluoride treatment that is water-based, rosin-free, and ready to apply. Provides protection to enamel and dentin surfaces. Features a ready-release formula that enables effective fluoride uptake with a minimum contact time of just 15 minutes. Available in a fast and easy-to-use L-Pop unit dose that applies with a swiping motion: no need to brush onto individual tooth surface. Free of common allergens with a neutral pH and stabilized calcium phosphate. Improved taste, smell, and mouthfeel. Suction line-friendly formula.

Unit Dose		
0.5 mL.....		50/pkg
Specify:		
Flavorless (777-2548)	Watermelon (777-2546)
