TRAY BARRIER SLEEVES

Advantages

Full-length Protection: Ensures your flat or divided instrument trays are protected and impedes flow of moisture, minimizing seep through

Single-Use: Ensure patient safety by helping to prevent cross-contamination

Efficient Cleanup: Reduce operatory turnover time with easy-to-remove disposable barrier

Broad Range of Sizes: Provides an option for any tray design in your practice

Protection with Less Chemicals: Protect surfaces and extend equipment life by minimizing chemical usage

Smart Packaging: Designed to quickly dispense a single barrier sleeve and compact to save on space
